Elks Lodge 158 Springfield, Illinois

## AUGUST 2024 · #158 ELK-O-GRAM · Volume 46, Issue 5

### Message from Exalted Ruler MATT WILLIS

Members all,

It's safe to say that we are almost halfway through the summer and families are enjoying the pool, the good food being served in the dining room, Sunday Fundays with entertainment, and other lodge events. However, behind the scenes we have had projects that required repair, replacement, and a lot of hard work by professionals as well as volunteers.

The roofs on the Tiki Hut and Garage have been repaired, the replacement pool pump and other parts are working well, and the men's bathroom project which will become a "family" bathroom is almost complete. The only project that still needs addressed is the "smell" we are experiencing in the building. It's been difficult to find the actual location of the problem, but we're seeking it out as I write this article. Thanks for your patience as we worked (or are working) through these issues.

My Leading Knight and I attended the Grand Lodge Convention in Austin Texas at the end of June/first part of July. Our past state president Jeff Rodier was also in attendance. We met some great elks from other states and shared ideas. It was a learning experience, and one from which I took away some good information to share with our officers, committees and members.

Last month, we brought in a good number of new members and reinstatements, and it's important to keep up the good work. If you know someone who would like to become a member, invite them to join. If you, or someone you know has allowed their membership to lapse, invite them to rejoin. There's so many good reasons to be a member of one of the greatest fraternal organizations in the United States, and we all have our favorite(s). Share yours with others!

We had a great turnout for the 4th of July party. Thanks to Chris Nation, Rusty Gentry, our lifeguards and volunteers for putting on this family-friendly event for our members and guests. Kids of all ages (including parents and grandparents) had a blast!

Sunday Fundays continue in August: 8/4 Dave Littrell, 8/11 Guilty Boys, 8/18 Steve Rothenberg, 8/25 Jay Larson Trio, and 9/1 Rod Grant.

Two golf outings are coming up this month; the Ladies Golf Outing on August 2nd and the Guys & Gals Outing on August 25th. The Ladies outing's proceeds go to fund their charities, scholarships and projects at the lodge. The Guys & Gals outing is "just for fun" for our members and their spouses/significant others. Find out more inside the EOG.

Don't forget the State Fair Twilight Parade which will be held on Thursday, August 8th. We need at least 30 volunteers to carry the Garrison Flag and our banner (see details inside).

I want to thank our Board of Directors and House Committee for their consistent and diligent efforts which make our social quarters, pool amenities, & Tiki events so successful. ## STATE FAIR TWILIGHT PARADE

A message from Tracy Robinson, Parade Coordinator:

Hello all! The Illinois State Fair Twilight Parade will be held on Thursday, August 8th at 5:30 p.m.

Once again, the Elks are invited to join the parade and carry the largest flag in all the Springfield parades...our Garrison Flag. We need your help to accomplish this task. We need at least 30 people to carry/display her vibrant colors and massive size. Bring your kiddos to help hand out candy and small American Flags to the children who will line the streets awaiting that special treat!

A sign up sheet will be located on the Walnut Room bulletin board, starting Monday, July 29th. If you are interested, please sign up early.

Contact Tracy Robinson, Parade Coordinator, at 217-381-6715 or email: [tracyaustiff@yahoo.com](mailto:tracyaustiff@yahoo.com)

Note: We still have a few Patriotic shirts in stock in various sizes.

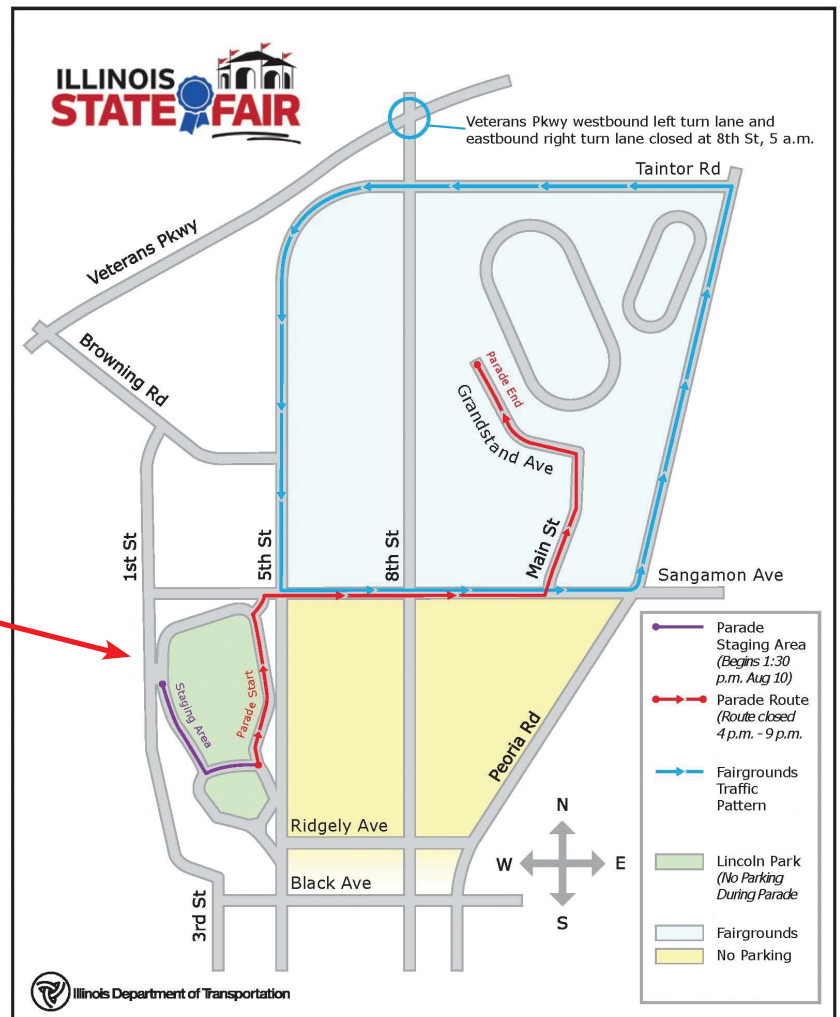

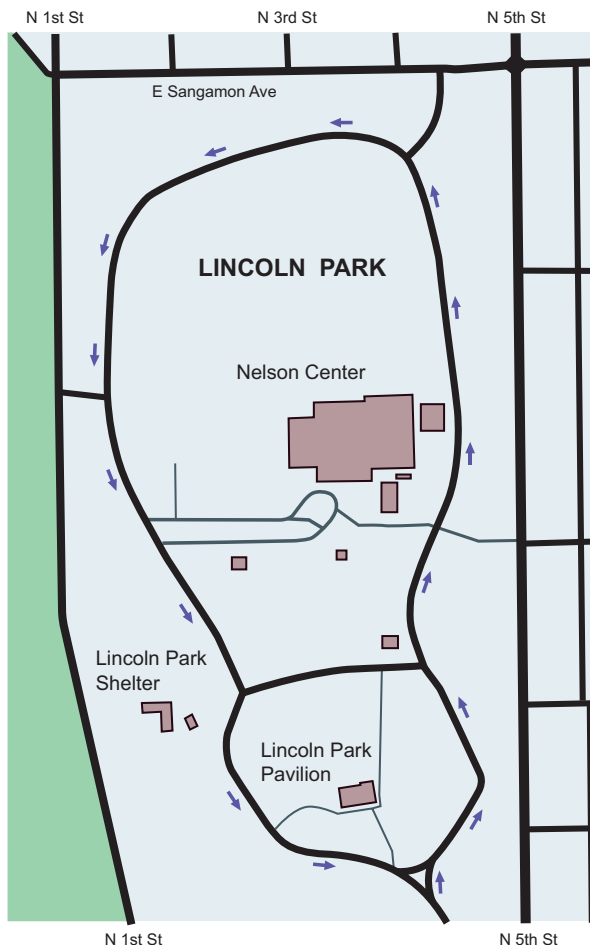

The parade starts at 5:30pm and I would appreciate anyone that is going to help to please be at our spot between 4:30 and 5:00pm. We are meeting on the north side of the Pavilion in Lincoln Park.

We need all the volunteers we can get please, so bring your families. Those who are too young to carry the flag, can help carry the banner and pass out candy & book-marks.

Make it a family tradition to do this every year. It is a pretty amazing experience.

I hope to see you all there!!!! Thank you!

## Illinois State Fair

This month's calendar salutes the Illinois State Fair.

The opening of the first permanently located Fair was September 24, 1894, and it ran for an extent of six days. Admission was 50 cents for adults, seventy-five cents for one person on horseback, and \$1.25 for a carriage load of four.

The Fair has had its home in Springfield for over 100 years. Many buildings on the fairgrounds have also celebrated over 100 years of history in Springfield. For the amount of \$69,500, the Dome Building was purchased from the Chicago World's Fair and was then reconstructed for the 1895 Fair. Tragically, the Dome Building, located just east of the Exposition Building burned down in August, 1917, just before the Fair opened.

Currently, the fairgrounds cover 366 acres.

**Charity, the Greatest of all Virtues**

Part of every Elk's Orientation and Initiation process is listening to the legendary story of Charity as read by the Esteemed Leading Knight.

"...Charity is the greatest of all the virtues; and that it should ever rule us in our hearts and in our lives, leading us to speak no unkind word, to harbor no evil thought, to bear no malice, to support no wrong; but to nurture, love and protect; to condone, forgive and forget."

We must always remember the oath we took when we became an Elk, and continue to practice the virtues of Charity, Justice, Brotherly Love and Fidelity. This is what sets the Elks apart from other organizations.

### ELKS' HISTORY: Did You Know?

wELKome to the official account for the Benevolent and Protective Order of Elks USA! With the 150th anniversary of the order taking place in 2018, let us reflect upon the previous 149 years of Elksdom across our great nation!

On February 16th, 1868, a New York actor, Charles A. Vivian, and his colleagues organized a fraternal club known as the "Jolly Corks." The club was created to serve as a loophole around New York alcohol laws, permitting them to consume alcoholic beverages on Sunday.

When one of the original fifteen "Jolly Corks" passed away, leaving behind a family, the fraternal club shifted their focus from just merely sociability to charity as well, providing financial donations for his late family. And thus, Vivian and his group restructured the club as one that is equal parts social, as philanthropic of the community surrounding them. With an 8 to 7 vote, the newly renamed group "The Benevolent and Protective Order of Elks" was born.
