Elks Lodge 158 Springfield, Illinois

MARCH 2024 · #158 ELK-O-GRAM · Volume 45, Issue 12

Message from Exalted Ruler Jan Cimarossa

To All Members,

With our first IEA State Convention of the year in the history books, the next IEA State Convention will be in May. We had a pretty good turnout for the Convention, the hospitality rooms were full, and a lot of meeting new people was going on. This one will be the last Convention that I am required to attend, however, I will still support the Elks through this Convention because it is a great way to gain ideas and meet new Elks' members. Plan to attend one of the three throughout the year.

February brought a lot of hope. We are on the downside of winter. The beginning of Lent and the Easter season, and our annual Friday evening fish fries started February 23. This is a week later than last year due to a conflict with the lodge room. We needed volunteers to serve and cook the fish, and our volunteers did not disappoint. Valentine's Day and Ash Wednesday were on the same day this year, February 14th. What about that Super Bowl? If you are a Chiefs' fan then you loved it, but if a Forty-Niners' fan not so much. It was still a great game, played by two good football teams.

Your membership applications should have been in your possession by now, along with the Century Club tickets. Please get those applications and Century Club tickets in as quickly as you can, so as not to be delinquent in your membership, or a chance to win a \$100. With your membership active, we can remain the Lodge with the largest membership in Illinois. Another part of the application is the pool membership. If you have kids or grandkids and don't have a pool, think about the Elks' pool. Our past committee chairpersons from last year did an excellent job getting the pool ready for 2023. I am sure the House Committee will have someone in place to take over, and they will do a fantastic job as well.

I want to take this time to thank all my officers, committee members, and ALL the volunteers that made this a great year, as this will be my final article for the EOG. I could not have done any of this without your help and support. I had a great time being your Exalted Ruler this year, but it is time to turn

the reins over to my Esteemed Leading Knight, Matt Willis. Good luck Matt, you will have a great year.

In closing, come on out and support the best Elks' Lodge in the State of Illinois. Meet great people and have a fun time socializing, and/or volunteering for events. *"Service to others is the rent you pay for your room here on earth."* - By Muhammad Ali, American boxer. I couldn't have said it any better, Elks go above and beyond helping.

Fraternally,
Jan M. Cimarossa, Exalted Ruler

What is the most famous story about St Patrick?

The Legend states that Saint Patrick was undertaking a 40-day fast on top of a mountain in Ireland, when he was attacked by snakes. Using his staff Saint Patrick banished all the snakes in Ireland into the sea, and from that day Ireland was a land that was free of snakes.

Leprechauns are actually one reason you're supposed to wear green on St. Patrick's Day—or risk getting pinched! The tradition is tied to folklore that says wearing green makes you invisible to leprechauns, which like to pinch anyone they can see. Some people also think sporting the color will bring good luck, and others wear it to honor their Irish ancestry. No wonder green decorations can be seen all over—the Chicago River in Illinois is even dyed green each year to celebrate the holiday.

Springfield Cares Soldier Mailing Message from Alice & Bill Beck

These last few weeks we had asked our community for help in our mission in sending Care Packages to our troops overseas & boy did you all deliver!

Last night we packaged 32 boxes to be sent overseas to Jordan, Israel & Romania. But wait, THERE'S MORE! We collected so many items that we couldn't send it all in one load. This mission was so successful that our troops will benefit from this for the next few months!!

Thank you so much, Springfield Clinic, for joining in with Synergy Homecare of Central Illinois in our mission to Send Love Overseas in honor of our Veteran Care & Valentines Day.

Also, thank you to Auburn Elementary School - District #10/Auburn High School for having your kiddos create cards & letters for our soldiers, Springfield Cares - Soldier Mailing, Inc. for all you do to support our Troops, Syntemax & to everyone that donated!

I am SO proud of you, Springfield Community.

THANK YOU - DOT FOODS, INC., MT. STERLING, IL. We received a very generous donation from Dot Foods and wanted to send out a super thanks to them, and to Heather Hester who works for them and have attended several of our mailings. Thank you and God Bless.

A SUPER BIG THANK YOU FOR SUPPORTING Springfield Cares - Soldier Mailing, Inc. Thank you so much to everyone who has dropped off items! These are just some of the drop offs that came in recently!

What is the real reason for St. Patrick's day?

St. Patrick's Day was originally celebrated in Ireland with religious services and feasts in honour of St. Patrick, one of Ireland's patron saints. When Irish immigrants brought St. Patrick's Day traditions to the United States, the day evolved into a secular celebration of Irish culture.

GOLFERS NEEDED!

With spring around the corner, we are looking for new golfers for the Elks Men's Tuesday and Thursday golf leagues. You can be a new golfer or a seasoned player, it doesn't matter. This is a fun league where you can make new friends and see old ones.

We anticipate that many the last year's teams will be returning, however, we would like to see new members and teams participating in either or BOTH leagues.

The Tuesday league is at Lincoln Greens Golf Course on East Lake Drive.

The Thursday league is held at Bunn Golf Course on south 11th street.

Both leagues start at 8:00 a.m. They are both handicap leagues where golfers can choose to participate in "closest to the pin" and "skins" games each week.

It is a great way to join in club activities and meet fellow Elk members.

You can sign up with a partner as a **team**,
OR
as an individual **where we can pair you up with a partner.**

The cost is \$45.00 per player for the yearly league plus the weekly green fees for each round. There is an end-of-year scramble with an awards ceremony to hand out prizes for the year. Each team receives an award based on points earned throughout the year.

What is the true history of St Patrick?

The historical Patrick was captured as a youth in Roman Britain, sometime in the 5th century AD. He was transported to Ireland, where he spent six years as a slave. He eventually escaped and made his way back home. He became an ecclesiastic and many years later left Britain and returned to Ireland as a missionary.
