

Elks Lodge 158 Pool Application 2025

As many of the members know, Elks 158 contracted with Southern Ledge Pools and Spas, of Taylorville, to maintain/repair **BOTH** pools at the lodge. The lodge has purchased a new pump, new filters, and updated several necessary features. With that, chemicals, maintenance, and repair expenses must be covered by the lodge and can be costly. The pool committee and leaders hope you enjoy the summer of 2025!
